

# There are many wonderful places and people in our world, but my heart lies at the Meadows!

## From your GM — Kjersten Buzek

Hello everyone, I am finally getting settled in my new position as your general manager. Thank you to all of you who have stopped by...it's a pleasure to have met you. I look forward to meeting the rest of you. Please keep reminding me of your names, that is going to take a while.

Okay, let's update you on what has been happening since I have started (Feb. 1).

We have hired a tennis coordinator, Angie Twist. She is going to organize Doug (our tennis pro) and our tennis program into a well oiled machine.

We officially hired Doug on as an employee, this is a change for Doug and a leap of faith.

WELCOME THEM BOTH!

## Board Busters (updates from your Board)

After Dale's retirement from the club for the last 35 yrs, I'm sure you can imagine the many challenges we are faced in keeping things running smoothly. We want you to know that your Board and Kjersten are committed to keeping the Meadows the best club in Boulder.

Next, we have also formed a head swim coach search committee. This is made up of some of your fine members: Beth Cendali, Wendy Corrigan, Laura Barton, Mary Kay Braccio & Hillary Wallace. They have been hard at work finding qualified candidates for our Head Swim Coach position. If you have any resources that can help their search please email them to me. GM@meadowsclub.org Thank you.

### FAQ:

Q. We have never hired members to work at the Club before, has this changed?

A. Yes, that was Dale's policy and I do understand the reasoning behind it, and I respect that. However, I feel that we have an extraordinary group of mem-

bers and I would like to tap into our resources. So we are going to try this approach and see how things go.

Q. Where can one find an application?

A. We are having one put on the website as I am writing this.

Q. What is the website?

A. www.meadowsclub.org

Q. How do we get in contact with someone at the Club?

A. Melissa, our wonderful smiley front desk person is here Mon-Fri from 9:30-12:30 PM. I am here Mon-Fri from 10-2 PM (and then some). The Club phone number is: 303-494-5069. You can also email: info@meadowsclub.org

Lastly, I am extremely happy to be here, I am learning a great deal and will continue to as we get into the season, yippee!
