PROJECT UPDATES:

Platform: The courts are being put up and should be done by the end of next week.

Pool Shell: done & beautiful—come see!

Clay Courts: We are very close to rock-n-rollin' on the clay courts. Within the next week we will let you know when it's time to play & who the raffle winners are.

East Fence: Some of you are asking when the new fence is going up east of the pool. We are waiting on some changes in the wetlands buffer zone (where the fence will go) and then we will be putting it up as soon as the new regulations go through.

Bit O' communication from KJ

All of our rainy day board games are missing pieces or falling apart. If you have any board games that you would like to donate to the club, it would be greatly appreciated.

Does anyone have a loveseat (couch) that you would like to donate to the club? If so, please let me know, we would like to replace the one in the guard office.

Board Update: for information from the prior board meetings please go to the website www.meadowsclub.org
