

**The most important thing in life is to learn how to give out love, and to let it come in.**

From your GM — Kjersten Buzek (AKA: KJ)

### GENERAL

**DOOR LOCKS** — The locks have been changed.

We have one last scheduled time for you to pick up your key: Wednesday, **October 21— 6:00—9:00 PM.**

Reminder: one key per membership.

If you would like a second key (for family memberships / spouses), the cost is \$5. You will not be able to make duplicates; this is better security for our Club.

One of the reasons our locks were so bad and falling apart was due to all the duplicates that were made.

**CLAY COURTS** — The Clay courts will be locked Tuesday, October 20 for the winter.

Please do not attempt to use them after this date, this will only delay use in the spring. Damage will be done since the water is off for the winter. Thank you.

### TENNIS

**TENNIS** — Congratulations to the Men's 3.0 team! They won the CTA (district / state) championship. Dan Hoskins (captain) Bob Crouch, Fenton Hill, Jim Irwin, Mike Scott and Matt Steele.

### **TENNIS COURT RESERVATIONS** —

Please register yourself online at [www.tennis.meadowsclub.org](http://www.tennis.meadowsclub.org). This is a great service for our membership; you may reserve tennis courts & register for clinics at the website.

Also, note that this is the same website we have been using all summer, we chose the fall to allow the members to use it so we can work through any kinks that you may find.

\*If you are having trouble registering: attached is a document that will help guide you through the process.

### **NOTE FROM KJ:**

I hope you are all enjoying the beautiful fall and getting out to play some tennis or platform.

Thank you to all of you for filling out the survey, I appreciated it. We are working on putting together a report that will help us learn from your feedback.

I hope you all have a fun, safe & ghoulish Halloween!

Trick-or-Treat!
